

Performance and Testing

DATE	22 oct 2025
TEAM ID	NM2025TMID01174
PROJECT NAME	Educational Organisation Using Servicenow
MAXIMUM MARK	4 Marks

MODEL PERFORMANCE TESTING

Education Organisation

The screenshot shows the ServiceNow interface for creating a new update set. The top navigation bar includes links for All, Favorites, History, Workspaces, and a search bar. The main area is titled "Update Set - Create New Update Set". The form contains the following fields:

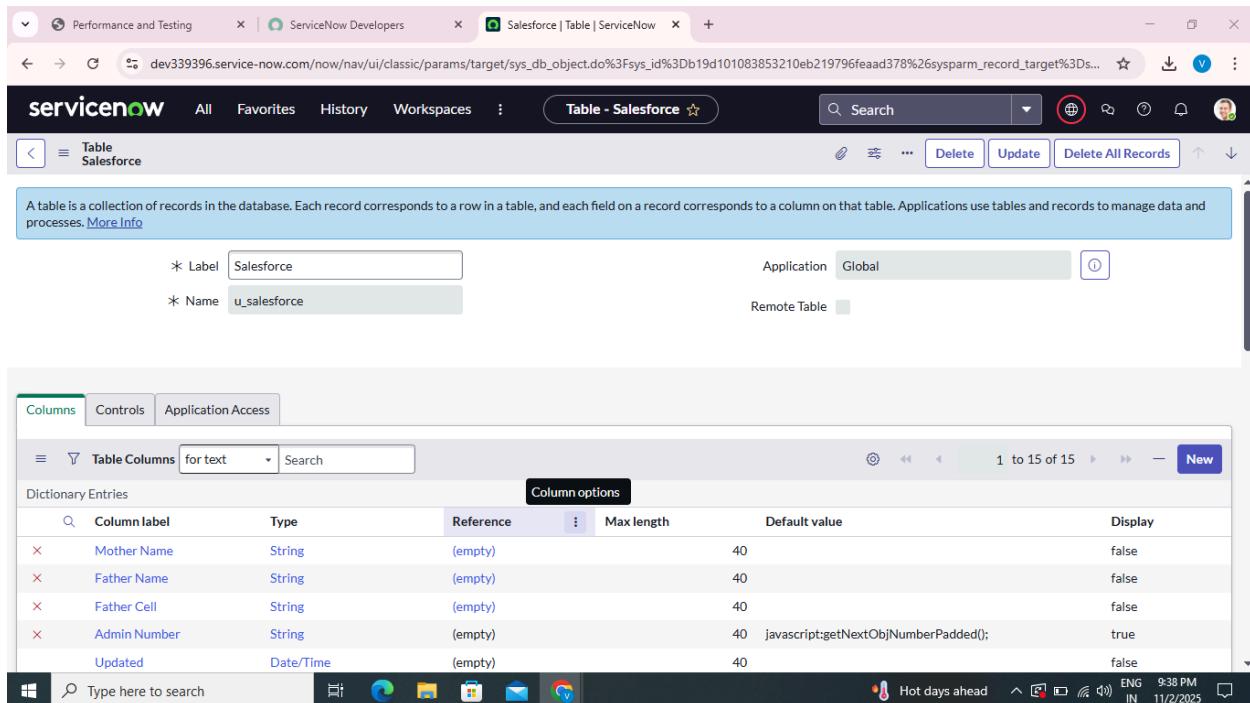

- Name: New Update Set
- State: In progress
- Parent: (empty)
- Release date: (empty)
- Description: (empty)

At the bottom of the form are two buttons: "Submit" and "Submit and Make Current".

Definition	An educational organization in ServiceNow represents a school, college, or university that uses the platform to manage its services and operations.
Purpose	To automate administrative, academic, and IT processes within educational institutions.
Example	University using ServiceNow for handling student requests, IT incidents, HR services, etc.
Benefits	<ul style="list-style-type: none"> - Centralized system for service requests - Faster response and resolution - Transparency and tracking - Better communication between departments

CREATE TABLES

Salesforce Table

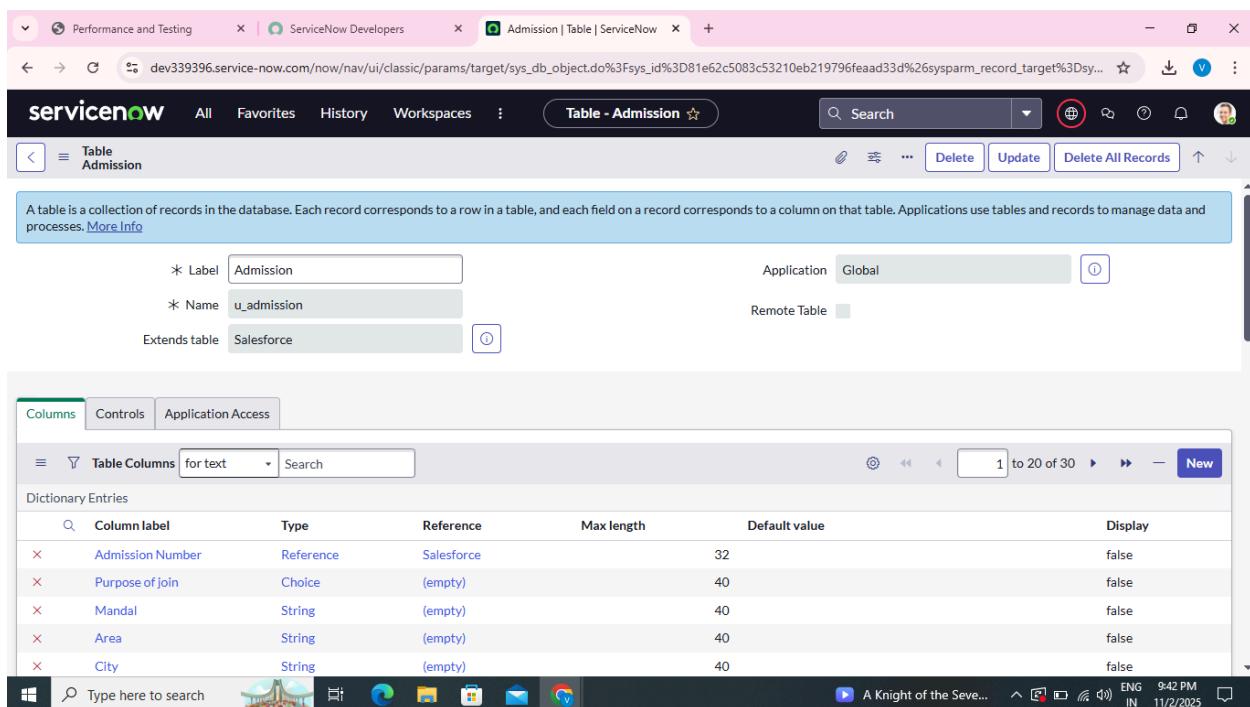

The screenshot shows the ServiceNow Table configuration interface for a 'Salesforce' table. The top navigation bar includes tabs for 'Performance and Testing', 'ServiceNow Developers', and 'Table - Salesforce'. The main title is 'Table - Salesforce'. The configuration fields are:

- * Label: Salesforce
- * Name: u_salesforce
- Application: Global
- Remote Table: (empty)

The 'Columns' tab is selected, showing a list of columns with their labels, types, and default values:

Column label	Type	Reference	Max length	Default value	Display
Mother Name	String	(empty)	40		false
Father Name	String	(empty)	40		false
Father Cell	String	(empty)	40		false
Admin Number	String	(empty)	40	javascript:getNextObjNumberPadded();	true
Updated	Date/Time	(empty)	40		false

Admission Table

The screenshot shows the ServiceNow Table configuration interface for an 'Admission' table. The top navigation bar includes tabs for 'Performance and Testing', 'ServiceNow Developers', and 'Table - Admission'. The main title is 'Table - Admission'. The configuration fields are:

- * Label: Admission
- * Name: u_admission
- Application: Global
- Remote Table: (empty)
- Extends table: Salesforce

The 'Columns' tab is selected, showing a list of columns with their labels, types, and default values:

Column label	Type	Reference	Max length	Default value	Display
Admission Number	Reference	Salesforce	32		false
Purpose of join	Choice	(empty)	40		false
Mandal	String	(empty)	40		false
Area	String	(empty)	40		false
City	String	(empty)	40		false

Why this is useful:

- Shows how a large university uses SN beyond just IT — covering staff and student services.
- Demonstrates a real-world example of workflow automation in higher education.
- Gives insight into benefits like streamlined service, better satisfaction, fewer manual handoffs.

Student Progress Table
